Hi Angela! This was forwarded to me, FYI, this morning. Can someone let me know what we should say?

And BTW, unfortunately, I have a conference call today @ 11:30, so I am not available to facilitate this time. However, if you have any follow-up and need me to facilitate, I would be most happy to help.

Best regards, Francesca

Local elected in France, I have been informed that a survey in Dimock (Pa) concluded to an absence of links between fracking and hazardous drinkwater. May I have the report or the link to reach it?

Many thanks in advance.

Cordialement.
